

In addition to the current pilot for Honorlock that SUNY has in place, please be aware that we are also offering our service for \$5 per exam to help institutions address moving courses online as campuses close or limit in person meetings to address the spread of the COVID-19 virus. This offer is available to everyone.

**Please note: At this time, Honorlock is only able to integrate and support Blackboard, Canvas and D2L/Brightspace.**

For more information, please contact Nick Ferrari.
