IITG Project Title: E-portfolios to Engage Student Veterans at Suffolk County Community College

Have you applied for, or received additional funds? (choose all that apply):

- Consider the project complete, and do not intend to seek additional support
- Funding by college to refurbish a better student veterans room in the student center

1st Choice:

- Assessment, Understanding, Monitoring Student Progress

Assessment, Understanding, Monitoring Student Progress

- E-Portfolios

2nd Choice:

- Instructional Design

Instructional Design

- Interaction
- Student Engagement
- Student Learning Support

3rd Choice:

- Instructional Technologies

Instructional Technologies

- Open Educational Resources (OER)
- Video Production

What recommendations would you make to scale-up or share your project more broadly (within an educational sector, or perhaps SUNY-wide)?

Improve on the type of e-portfolio selected, Google sites is not yet adequate.

Do you intend to create an ongoing "Community of Practice" within the SUNY Learning Commons to continue work and dialog regarding this project?

No

Overall, how successful was IITG in meeting your project goals? (You may elaborate on your response in the final question if not addressed elsewhere.)

Very successful

Do you wish your current abstract to be used?

Yes

File One Upload and Brief Description

This summary in a nutshell will address the fact that our student veterans are quite similar in learning styles to our other students. It is hard to get students to complete assignments that are not for a specific class. Student veterans are very attentive and appreciative of programs designed for them. The laptops obtained for this grant have been invaluable.
