Gaming and Simulation

Do you wish your current abstract to be used?

Yes

File One Upload and Brief Description

These materials are publicly available. You can view a description of the project and its outcomes by visiting the web sites linked below. There is also a link to the materials that were developed so that you can access them, review them, and integrate them into your courses if you would like.,

Project Website Address (Hyperlink 1)

http://mediastream.buffalo.edu/content/sw/waldrop_acp/presentation/

Project Website Address (Hyperlink 2)

<https://sites.google.com/site/ubadvancecareplanning/>

Any additional comments or resources you wish to share?

The first web link is a presentation that describes the project and its outcomes. The second web link takes you to the actual materials that were developed.

Do you intend to create an ongoing "Community of Practice" within the SUNY Learning Commons to continue work and dialog regarding this project?

Unsure at this time

Consistent with the RFP, you must indicate which Creative Commons license you intend to use.
