IITG Project Title
2014-UB-Yerrick-Model for Online SUNY Teaching

Have you applied for, or received additional funds? (choose all that apply):

- Have applied for campus funds to support this project
- Have applied for support from a large funding sources (e.g., NSF, NIH)

In kind services include technology and support to the GA's and post-docs we employed to help design the units and analyze the online data. We also provided on our campuses the GA offices and the online accounts (GoToMeeting and Adobe Connect) we are using to facilitate our collaboration.

Estimated Dollar Amount = $10,000

If you wish to update your project abstract, to reflect updates or outcomes, you may do so in this text box (please keep it brief – less than 150 words - you can expand on this in your files and links)
We are designing three units at present before we proceed with our analysis. These units will be used to help online instructors understand the nature of teaching from current reforms (Common Core, NGSS, etc.). The units are generically titled for now: 1) Pedagogy, 2) Inquiry, and 3) Assessment.
