Q9 (If you answered "no" to the previous question, please elaborate below:)	Q10 (Please take a minute to tell us what suggestions you have for improving the experience of using the CSS in the Library.)
[No data submitted]	[No data submitted]
[No data submitted]	More Library staff members should be knowledgeable of the equipment/CSS.
[No data submitted]	Make laptop checkout faster
[No data submitted]	A physical schedule/waiting list by the CSS so that confusion about which group had it can be avoided. Everything else was great!
[No data submitted]	Spaced can be tight with a large group. Mac-compatible.
[No data submitted]	Having more adapters other than that everything worked great :)
[No data submitted]	[No data submitted]
[No data submitted]	If you could email the library to set up a time for your group.
[No data submitted]	[No data submitted]
[No data submitted]	I had a great experience. Extremely helpful.
[No data submitted]	I think it's wonderful.
[No data submitted]	It would help if it were easier to navigate the LibGuides website.
[No data submitted]	Bigger table space.
[No data submitted]	Mac/apple adapters.
[No data submitted]	Maybe a bit more privacy.
[No data submitted]	[No data submitted]
[No data submitted]	More mac/apple adapters for mac laptops.
[No data submitted]	Longer time slots.
[No data submitted]	I think it was very helpful the way it was.
[No data submitted]	Making the time slots longer.
[No data submitted]	[No data submitted]
[No data submitted]	be better if the website was easier to naavigate
