

# WHAT IS COIL?

est. time commitment:  
2-3 hours total

In this self-paced introductory workshop, participants will walk through the general concepts and framework of COIL found on our

What is COIL? website:

<http://bit.ly/whatisCOIL>

Those new to COIL are expected to complete the activities on this site before joining the COIL Foundations workshop.

**AVAILABLE TO ALL**

# COIL FOUNDATIONS

est. time commitment:  
2-3 hours per week

The COIL Foundations workshop will help you think more deeply about different elements of a COIL collaboration and how you will work with your teaching partner. Topics for this workshop include online facilitation and collaboration, creating online teams, considering cultural perspectives, partnering for COIL, accessing support at your institution.

**DATES:**

October 5 - October 23, 2020

January 11 - January 29, 2021

February 8 - February 26, 2021

April 12 - April 30, 2021

June 7 - June 25, 2021

# COIL DESIGN

est. time commitment:  
3+ hours per week

The COIL Design workshop will focus on developing a COIL collaboration with your teaching partner, to be embedded in each of your courses. Topics include course logistics, finding common learning outcomes, project design, and mapping your COIL project. Both teaching partners must participate.

**DATES:**

October 5 - October 23, 2020

January 11 - January 29, 2021

February 8 - February 26, 2021

April 12 - April 30, 2021

June 7 - June 25, 2021

ALL 3-WEEK COIL WORKSHOPS ARE HELD ONLINE, ASYNCHRONOUSLY WITH OPTIONAL 1-HOUR SYNCHRONOUS ZOOM SESSIONS EACH WEEK.

# **STUDY ABROAD GOES VIRTUAL**

est. time commitment:  
2-3 hours per week

This workshop is designed to guide professors through the process of transforming an existing faculty-led study abroad program into an interactive and engaging online experience. We will examine various options for transforming an existing or planned program into virtual study abroad. Participants should come with a syllabus, on-site plans, and learning outcomes.

**DATES:**

- November 2 -November 20, 2020
- January 11 - January 29, 2021

# **COIL COORDINATOR WORKSHOP**

est. time commitment:  
2-3 hours per week

COIL Coordinators are the point people for COIL at their institution. They should be knowledgeable about COIL and know what resources are available to support professors at their university. This workshop is designed to help Coordinators develop the tools they need to support COIL at their institution.

**DATES:**

- October 5 - October 23, 2020
- January 11 - January 29, 2021
- June 7 - June 25, 2021

# **ADMINISTRATOR WORKSHOP**

est. time commitment:  
2-3 hours per week

This workshop is open to any staff supporting COIL at an institution (Deans, SIOs, Teaching/Learning staff, Instructional Designers, Department Chairs, etc.) COIL Coordinators may also join this workshop. We will explore the responsibilities of each role in supporting successful COIL collaborations and considerations for scaling COIL at an institution.

**DATES:**

- November 2 -November 20, 2020
- May 3 - May 21, 2021
