

# Using the OSCQR Rubric

## STEP 1: Generate a rubric for yourself

Go to <http://bit.ly/OSCQRSelfServe>, and enter your email and title for the rubric. Be sure your email address is correct or you will not receive a link to the rubric.

## STEP 2: Click on the link in your email

The link in your email is the only record of your rubric - do not delete it! Save the email or bookmark the link so that you can return to the rubric in the future.

## STEP 3: Complete the rubric

Changes are automatically saved, so you can leave the rubric and come back later.

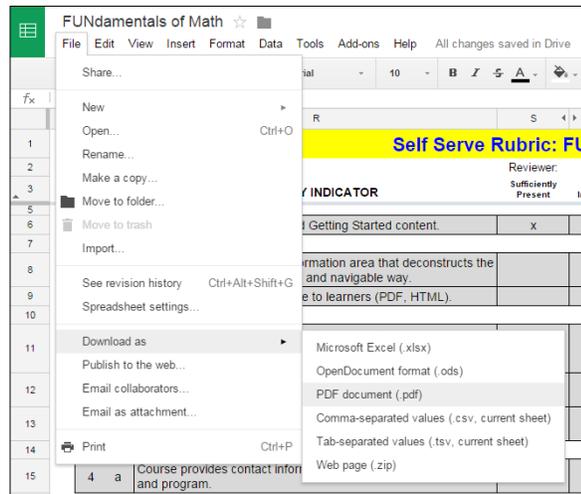

QUALITY INDICATOR	Sufficiently Present	Needs Improvement	Not Applicable	Comments
1 a Course includes Welcome and Getting Started content.	x			
2 a Course includes a Course Information area that deconstructs the syllabus for learners in a clear and navigable way.		x		The course information is not clearly navigable - consider more specific information
b A printable syllabus is available to learners (PDF, HTML).	x			
3 a Course includes links to relevant campus policies on plagiarism, academic integrity, and honor code.	x			
b Course includes links to relevant campus policies on plagiarism, academic integrity, and honor code.		x		I didn't see links to the privacy statements of WordPress, which is required by students in the course. This should be easy to find.
4 a Course includes links to relevant campus policies on plagiarism, academic integrity, and honor code.		x		
b blended, or web-enhanced.	x			
5 a Appropriate methods and devices for accessing and participating in the course are communicated (mobile, publisher websites, secure content, pop-ups, browser issue, microphone, webcam).	x			
b Appropriate methods and devices for accessing and participating in the course are communicated (mobile, publisher websites, secure content, pop-ups, browser issue, microphone, webcam).		x		
6 a Requisite skills for using tools or third party software are clearly stated and supported with resources.		x		
b Technical skills required for participation in course learning activities scaffold in a timely manner (orientation, practice, and application - where appropriate).	x			I don't think there was a good introduction to using VoiceThread.
7 a Students have an opportunity to get to know the instructor.	x			
b Course contains resources or activities intended to build a sense of class community, support open communication, and establish
