Supported by:
Dissemination, Professional Development, Community of Practice, Shared Services

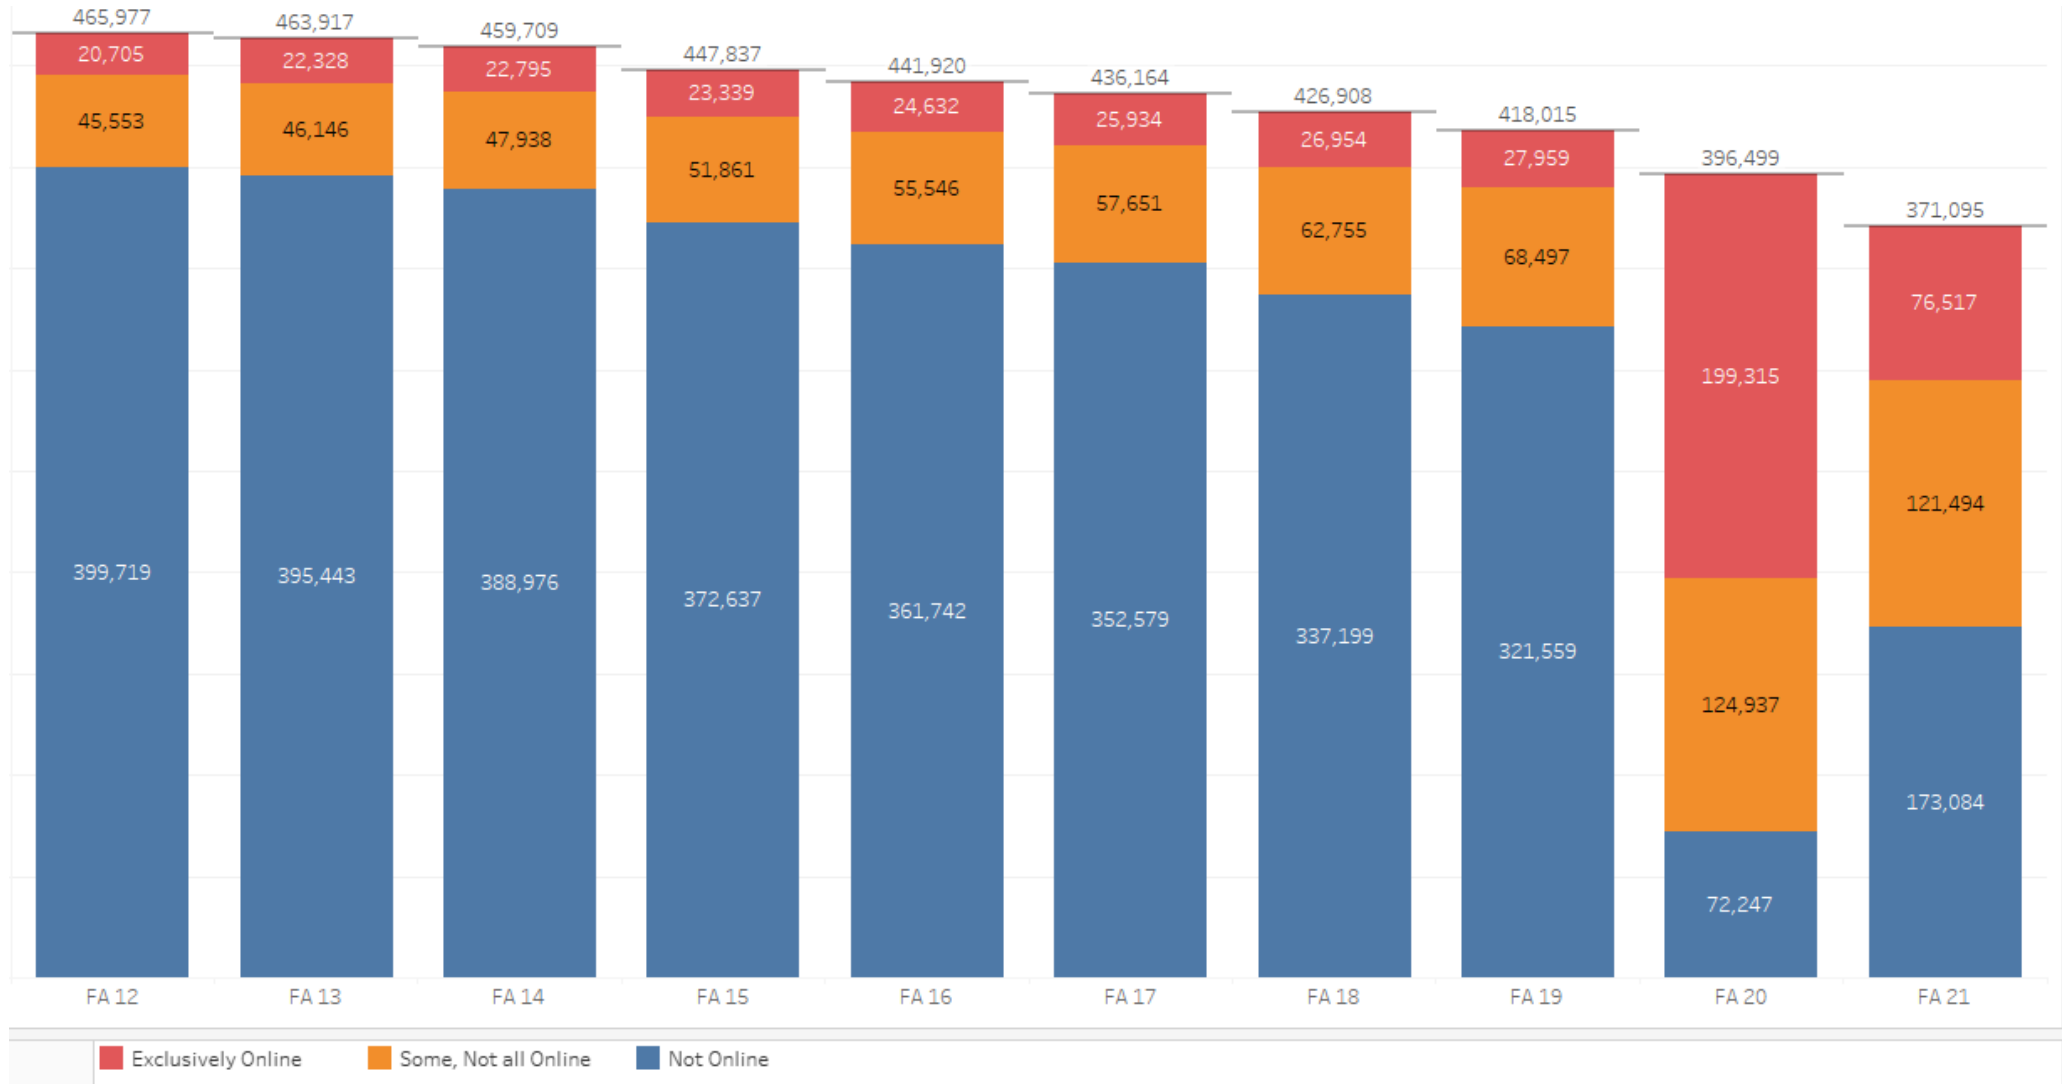

**Proposed
\$200M
Investment**

DIGITAL TRANSFORMATION

Fall Enrollments by Online Status

Growth in Online Activity

	AY 2019-2020	AY 2021-2022
Online Courses Annually	25,000+	53,000+
Online Programs Fall Terms	~500	811
Students Enrolled 100% Online – Spring Term	29,877	61,788
Students Blending Online & Face-to-Face Courses – Spring Terms	76,637	100,885

- Significantly more courses/programs being delivered online and more students taking advantage of the online modality.
- To support students and faculty, support for online learning is increasingly important.
