

HVASLS Student Submission List for Reviewers

Filter by:

Filter by weekday

Filter by instructor
(pick weekday first)

Reviewer instructions:

To see the list of ALL (Monday) class submissions,

1. first pick the (Monday) weekday filter,
2. pick name of any instructor on the next filter,
3. then remove the instructor.

This action triggers the system to start displaying ALL the submissions per weekday on the left side column.

Organization

- EXCEEDS: Your work is well organized around main ideas that build toward well-developed and well-supported conclusions.
- MEETS: Your work is well organized around main ideas that build toward supported conclusions.
- APPROACHES: Your work shows connections between some ideas but would benefit from stronger transitions on the sentence and/or paragraph level.
- DOES NOT MEET: Your work needs to show how ideas are connected using transitions and / or a more coherent order or sequencing.

Critical Thinking & Development

- EXCEEDS: Your discussions of key concepts are thorough. Examples are fully explored and analyzed to support main ideas and to lead readers to logical conclusions.
- MEETS: Your discussions adequately reflect on key concepts. Examples are explored and analyzed to help readers draw logical conclusions.
